

## Bridging work- Year 12 into Year 13

### Further developing and refining your personal investigation.

Over the summer break you will need to complete the following

**Develop your personal investigation by completed 4 double pages in your sketchbook, 3 outside sketchbook pieces, you are to include the following;**

- A series of experiment for you focused idea/s. You can use a range of media – pencils, paint, clay, wire digital media and lens based media (cameras).
- Research on artists and art movements that are relevant for your investigations. Your writing should be focused with critical analyses.
- Recording process and annotating your work.
- Three refined outside sketchbooks pieces that are ambitious and progressive, that shows creativity and risk-taking.
- Further reading for your written element. Find relevant texts, journals and literature that will impact your research and practical work. Write 1000 word review.
