

Park High Sixth Form Entry Requirements September 2019

In this table 'Subject' means a GCSE grade in that subject. For Science 2 x grade 6 in Core and Additional is required. If there is no number indicated, then there is no requirement for subject specific prior attainment.

For A Level programmes: Students are required to have achieved at least 6 x 9-4 grades including English Literature, English Language and Mathematics at GCSE and usually have at least grade 6 in any subject studied at GCSE level which they wish to continue at A level.

For BTEC programmes: Students are required to have achieved at least 6 x 9-4 grades including English Literature, English Language and Mathematics at GCSE and either a Merit or grade 4 in the subject if taken.

We hope to expand our Level 3 Vocational Education offer for September 2019. Any additional courses will be widely publicised in due course.

A Level Courses	Entrance Requirements			
	English Language	English Literature	Maths	Subject
