Dear Donna,

The Quality in Careers Standard Stage 3 – Final Assessment

I am delighted to inform you that CSW Group has confirmed the decision made by the external assessor, Sue Whittaker, following her visit to the school, to award The Quality in Careers Standard from 13th December 2018.

Please find enclosed a copy of your final assessment report, as well as The Quality in Careers Standard Stage 3 certificate. Your plaque will now be ordered and delivered to your school in due course.

Once again, congratulations on achieving The Quality in Careers Standard, and we look forward to working with you again in the future.
