Week Commencing 18.03.2024

## Message from Assistant Headteacher

Wow. What another great week at Park. There have been lots of trips and activities in which you all continue to demonstrate our Character Virtues.

We were also lucky enough to have over 260 visitors from our local primary schools who had a great time and were able to get curious about Science at Park High.

One Year 5 student exclaimed as they left that they cannot wait until they join Park High in Year 7 due to the experience they had. Thank you to our staff and students for helping to make the school an exciting place with lots of valuable opportunities.

Miss Little

## Sports News

Our U14 Badminton team beat Avanti, John Lyon and Nower Hill on finals night to be crowned **Harrow Borough Champions 2023-24!**

The students have been working with a Badminton coach on a Friday morning (and of course with Mr Darby!!) and some of the technique they have been developing is starting to shine through in gameplay. For example, they have done a lot on footwork and at times their movement around the court was clearly superior to their opponents.

Well done to the team!

## Red Nose Day

**THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU!**

Thank you to the Park High School Community for helping to raise

over **£950** for Comic Relief.

This reflects each and every one of our Character Virtues: compassion, integrity, teamwork, curiosity and resilience.

Thank you to all the students who helped supervise the fundraising stall, to all the joke tellers and to all those working behind-the-scenes!

Winners: Sweet Jar - Anaiya P (Y10) Scavenger Hunt - Darius S (Y7)

# Last Week's Round Up

## Year 10

This weeks Power Hour will be Science with Mr Cheung. There has been a lot of interest in this so be sure to sign up quickly! It will be back to our usual time and place – Thursday in L2! It is great to see you all prioritizing revision in the run up to your mocks!

This week we have our Celebration Assembly! I am looking forward to celebrating all of your hard work across your subjects and giving out a lot more bronze badges!

A huge well done to our Year 10 dancers who took part in 'Making Moves' and had the opportunity to perform at Saddlers Wells. I know you have been rehearsing relentlessly and not to mention learning a new style that was pushing you out of your comfort zone! Well done girls, I am so proud of you all!

## Year 11

Well done to our Year 11 netball and football team over the last week who have now played their final matches. I think sport is an amazing gateway to teach and experience the character virtues. Those of you who have taken part, practiced or even watched sport in your time at Park High. I hope you have enjoyed and have some wonderful memories to talk about long after you have left.

Those of you who won an award during Monday's Celebration Assembly, well done again and keep on working hard.

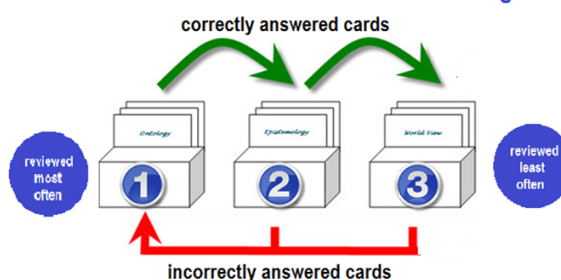

**As we are nearing the end of the year, the class of 2024 hoodies and yearbook are on ParentPay. If you haven't done so already, this must be paid latest by Monday 25th March!**

## Sixth Form

**Thank you** to our 6<sup>th</sup> formers who continue to contribute massively towards the wider school. This week, students supported with the Year 8 team building event and the science fair, whilst also continuing to support with the Year 11 catch up café, year 7 reading mentors, and a whole range of lessons across the school.

**Revision!** Whether you are preparing for your year 12 mocks or year 13 A-Level exams (or even for lower school students reading this!), get yourself into good habits. A revision timetable is a great way to start. Also ensure you are revising *effectively* – one of the techniques mentioned in Mrs. Pindoria's assembly is the *Leitner* system of using of using flashcards. Image below to remind you how it works. Always remember to look after yourselves in these tough exam months; and speak to us if you need any support at all.
