

Park High Sixth Form Entry Requirements September 2021

In this table 'Subject' means a GCSE grade in that subject. For Science 2 x grade 6 in Combined Science or Separate Science is required. If there is a star, then there is no requirement for subject specific prior attainment. If the subject was taken previously then a 6 is required or Merit in Level 2 BTEC

For A Level programmes: Students are required to have achieved at least 6 x 9-4 grades including English Literature, English Language and Mathematics at GCSE and usually have at least grade 6 in any subject studied at GCSE level which they wish to continue at A level.

For BTEC programmes: Students are required to have achieved at least 6 x 9-4 grades including English Literature, English Language and Mathematics at GCSE and either a Merit or grade 4 in the subject if taken.

We hope to expand our Level 3 Vocational Education offer for September 2021. Any additional courses will be widely publicised in due course
