

PARK HIGH SCHOOL

21st October 2020

Dear Parents/Carers,

On Thursday, 12th November we are delighted to invite you to our virtual Year 11 curriculum and Sixth Form Open Evening event. This will start promptly at 6pm. Your son/daughter is also welcome to attend this talk. Please register to attend this webinar here: https://zoom.us/webinar/register/WN_caSX0p8tTRSd38B7h_U4Fw. There is also an opportunity both before and during the event to ask any questions that you would like addressed during the course of the evening.

This will be an opportunity to hear from Ms Acheampong about the Year 11 journey from now until the end of their summer exam experience and how you as a parent/carer can help support your son/daughter through this hugely important year.

This webinar will also be a chance to find out more from Mrs Foster about the education progression routes available for your son/daughter post-16 which include Apprenticeships, Vocational qualifications or A levels.

Ms Barker, Head of Sixth Form, will introduce you and your son/daughter to the fantastic offer we have at Park High Sixth Form. We are very proud of our Sixth Form and look forward to many of our students continuing their educational journey with us here. We offer a comprehensive range of A level subjects and a BTEC in Applied Science along with enrichment opportunities, a full preparation programme for medicine/dentistry/Oxbridge and thorough, regular personal support and guidance.

As a parent/carer, you are incredibly influential when it comes to the decisions your son or daughter makes in all areas of their lives and that is especially true when it comes to their education and careers. We know that the choices which are open to your son or daughter today may be very different from when you were in their position. With that in mind, we want to try and make it as easy as possible for you to talk to your son or daughter about their options confidently, knowing that the information you have is as accurate and as up to date as possible. We hope you will attend on the 12th November.

We will be providing a comprehensive offer for all of year 11 during the school day as an alternative to a formal face to face Sixth Form Open evening. Please note that our 'Day in the life of a Sixth Former or College student' events will run on Friday, 11th December. Further information will be sent regarding this nearer the time.

Thank you for your continued support. We hope you and your family are keeping well and safe.

Kind regards,

Mr Darby
Deputy Headteacher

Ms N Barker
Head of Sixth Form

Headteacher Mrs Colette O'Dwyer
