

An online course for new and expectant parents

Me, You and Baby too

Having a baby can be an exciting time but it's also one of the biggest changes you and your partner are likely to go through. You'll both be tired and stressed, and you may argue more.

Me, You and Baby Too is a free online course that can help you navigate these changes and keep moving forward together.

You will learn:

- What your baby picks up, even before they are born.
- Why stress should be a shared burden.
- How you and your partner can support each other.
- How to talk to bring up difficult topics.
- How arguments start, and how to stop them.

To access the course, you will need a smartphone, tablet, or computer, and a good internet connection. It's FREE to use, so you'll just need to create an account with a username and password.
