

Park High Sixth Form: 16-19 Tuition Fund Statement (September 2020) (Published: 15/12/2020)

What is the 16-19 tuition fund?

The 16-19 tuition fund is one off funding for the 2020/21 academic year only. It is ring fenced funding for schools, colleges and all other 16 to 19 providers to mitigate the disruption to learning arising from coronavirus.

The funding is being used to provide small group tuition for 16-19-year olds where their learning has been disrupted and they have a GCSE Maths and / or English grade of 4 or below. Although targeted students are identified based on their prior attainment in English and Maths, the funding can be used to support students in their learning across a variety of subjects.

Examples of disruption that these students have face / will face include assessments being deferred due to lockdown or self-isolation, falling behind in their learning due to long / multiple periods of self-isolation and not being able to complete external examinations due to positive COVID-19 cases.

How will Park High Sixth Form use the funding?

Park High Sixth Form is eligible to receive £677 from this fund. The vast majority of students who join us secure the necessary Grade 4 or higher in English and mathematics to start their Level 3 courses. Where this has not been the case, we will utilise the funding to provide additional support with one-to-one teaching from a subject specialist and to enrol students to online, small group teaching to support their learning.

This statement is in line with the Government guidance and we have published this statement to demonstrate how this additional funding will be utilised in the academic year 2020/21. This document may be updated to reflect any changes in ESFA guidance.
