

4th September 2026

Dear Parents and Carers,

Welcome back after a long and very warm summer. I wanted to take a moment at the start of this new academic year to share how delighted we have been with the way our students have begun the term.

There has been a wonderfully bright and purposeful atmosphere around the school. Our students have returned with enthusiasm and energy, looking smart in their excellent uniform, arriving punctually and showing a real keenness to learn. It has been particularly pleasing to see how quickly they have settled into their routines and embraced the opportunities that a new year brings.

Our staff are equally excited about the year ahead. We are looking forward to developing our students' knowledge, broadening their horizons and helping every young person to make the progress of which they are capable. We know that strong relationships, high expectations and a genuine love of learning provide the foundations for success.

We have also begun the year celebrating some excellent examination results. Our GCSE and A Level students achieved outcomes of which they can be extremely proud, reflecting their hard work, resilience and the commitment of our students, families and staff. We are particularly delighted to see so many of our students choosing to continue their education with us in our Sixth Form. Our Year 13 students have also moved on to a wonderfully broad range of excellent universities and exciting courses, reflecting the ambition and diversity of their interests and talents.

We want to build on this very positive start. I would encourage every student to be ambitious, to embrace opportunities, to try something new and to approach every challenge with resilience and curiosity. We want them to make the most of every aspect of school life, support one another through teamwork and compassion, and demonstrate integrity in all that they do.

Most importantly, we want every student to strive to be the very best that they can be – not simply in their academic work, but in the contribution they make to our school and to the wider community.

Thank you, as always, for your continued support. We look forward to working with you throughout the year and to seeing our students continue to flourish.

Yours sincerely

Neil Darby
