

8 September 2026

Dear Parents & Carers

It is that time of year when the school term starts to become increasingly busy and we would like to share some information about our Open Evening and some other key calendar dates.

In preparation for our forthcoming Open Evening on 17 September 2026, we are making some temporary adjustments to the timings of the school day on the 17th. The slightly condensed day will provide staff with the necessary time to prepare classrooms, displays and learning activities, ensuring that the evening gives us the opportunity to showcase the school and the students we are so proud of to prospective parents and children. Student will still have all six timetabled lessons on the day.

Please see timings below.
