Message from the Deputy Headteacher

As we begin this new term together, I want to take a moment to reflect on the importance of teamwork. In school, success is rarely achieved alone. Whether on the sports field, in the classroom, in a performance, or simply by supporting a friend, we achieve more when we work together. Teamwork does not mean everyone being the same. It means bringing different strengths, ideas, and talents together for a shared purpose.

Recently, the world has been remembering two remarkable women whose lives demonstrated the power of people working together for good.

Dolly Parton was a world-famous singer, songwriter and philanthropist who used her success to help others, particularly through her work promoting literacy and education for children. One of her most famous pieces of advice was: "If you see someone without a smile, give 'em yours."

Gloria Steinem was a journalist, writer and activist who spent her life encouraging people to work together to create a fairer and better world. She said: "The future depends entirely on what each of us does every day; a movement is only people moving."

Both remind us that positive change happens when individuals choose to contribute, encourage others, and play their part.

As students of our school, each of you is an important member of our team. The way you welcome others, the effort you put into your learning, the respect you show, and the support you offer those around you all help to make our community stronger.

This year, I encourage you to think not only about what you can achieve as an individual, but also about what we can achieve together. Great teams are built through kindness, trust, resilience, and a willingness to help one another succeed. Let's make this a year in which we lift each other up, work together, and show the very best of what our school community can be.

Have a fabulous week everyone!

Mrs Wilkinson

**WORD
OF
THE WEEK**

Lucid | adjective

Clear and easy to understand

Resilience . Integrity . Curiosity . Teamwork . Compassion

ACHIEVEMENTS

SPAGHETTI COMPETITION

Congratulations to 10TC who did very well with their (messy!!) spaghetti competition.

The winning team was Levi, David and Simon whose tower reached a whopping 72cm! Their efforts were pasta-tively brilliant.

Most House Points

Most Character points

11AL

Best Attendance

7AY

Best Punctuality

All of Year 7

ACE LOTTERY WINNERS

ACE lottery tickets are awarded to students who demonstrate outstanding achievement, engagement, one of our character virtues, or the 4 Ps of Learning: Prepare, Pride, Proactive, and Persist, both inside and outside the classroom.

If you are awarded an ACE lottery ticket, please place it in the ACE Lottery Box outside Mr Darby's office to be entered into the weekly draw.

Each week, two winning tickets are selected at random and featured in the student bulletin.

🎉 Congratulations to this week's winners! 🎉

Please visit Ms Perren's office to collect your £10 Amazon voucher.

Well done, and keep up the excellent work!

**ACE LOTTERY
WINNERS**

MESSAGES FROM HEADS OF YEAR

Year 7

Well done, Year 7! You have had a fabulous start to Park High. We are very proud of how enthusiastic, polite and eager you have been to get stuck into your lessons and build positive relationships with your tutors and teachers. You have started a new chapter in your life. Remember you get to write what this chapter looks like. Continue to reflect on what positive action you can take to write your very best story.

As you can see from the pictures, your uniform was wonderfully smart and your day was full of new and exciting experiences. We saw displayed in your interactions and learning the virtues of resilience, compassion, curiosity and teamwork. These are the attitudes and behaviours that make you successful.

You have a very exciting bonding trip next week. This will be a chance for you to build positive relationships within your tutor group through team activities. Ensure you have talked to your parents/carers about this and returned your permission slip to your tutor.

Forming habits is one of our Year 7 priorities. Doing the same things well, each day will help you become the best version of yourself. One habit you must do every day when you get home is check your contact book for home learning or tasks you must complete. Remember, you do not need every exercise book each day, you pack your school bag the night before with only the books needed for the next day, and all your equipment, including your new mini white boards.

Let's continue this excellent start!

Mr Fowler

Year 8

Good morning, Year 8!

I hope you have had a fantastic start to the new term and have settled back into school life well.

As we begin the year together, remember our key expectations: Be Kind, Be Respectful and Be Ready to Learn. These simple actions help create a positive environment where everyone can succeed.

Please ensure that from next week onwards you are wearing the correct school uniform every day and arriving fully prepared for lessons with all the equipment you need, including pens, pencils, a ruler and your planner.

Let's continue to make a positive start and work together to make this a successful year.

Have a great week!

Mrs Capp

MESSAGES FROM HEADS OF YEAR

Year 9

It was good to see you all back in school last week and I am very excited about what lies ahead this year.

As we begin our first full week of the year, remember to get into good habits. Make sure you get enough sleep each night and pack your school bag the night before, and have checked you have all the equipment and books you need for the day ahead. Good daily habits can have a massive impact on how we perform well in school and will see you get off to an excellent start.

I will be trying to talk to as many of you as I can this week, so pop down to our office for a quick chat before school, at break and lunch. I am always interested to hear what you have to say and to hear about how the first few days of Year 9 have gone.

Just a reminder to avoid using the Quad at break and lunch as this is a space for Year 7. We should also not have any star stickers on our faces either and no white socks over tights.

Have a great week!

Mr Hargreaves

Year 10

A Great Start to Year 10

What a fantastic start to Year 10 last week! This year is an exciting opportunity for you to explore, experience and discover new things about yourself, your interests and the world of work.

Year 10 marks an important stage in your journey, and there are many exciting opportunities ahead. Take the time to explore your new subjects, ideas and experiences, and don't be afraid to step outside your comfort zone. Every experience, whether successful or challenging, can help you learn, grow and develop.

Make the most of the opportunities available to you, get involved, ask questions and be open to trying something different. Remember that your choices and attitude this year can help shape the person you become.

Embrace the journey with curiosity, confidence and determination. There is so much to discover and your Year 10 journey is only just beginning. **Explore. Experience. Discover.**

Miss Acheampong

MESSAGES FROM HEADS OF YEAR

Year 11

Well done on such a successful start to the year!

Thank you to everyone who attended last night's Year 11 Information Evening with your parents and carers. I hope you now have a much clearer understanding of the timeline for this year, what to expect over the next nine months, and how your journey towards your exams is going to unfold. If you weren't able to attend, please don't worry. I'll be sharing more information about what to expect in the coming months, so you won't miss out.

As we move through this first autumn term and the weather starts to turn, it can sometimes feel a little harder to stay motivated. However, it's really important that you remain focused, engaged and committed to your learning. Remember, **the journey to success starts today, not in a few weeks' time. Make it count.**

Your first set of mock exams will be in November. That may seem like a long way away, but with two weeks of October half term, the time will pass very quickly. Start preparing now, persevere, and make the most of every lesson and every opportunity to improve.

I also want to say how fantastic the Year 11 uniform is looking. Please keep it up! Badges should be worn at all times, shirts should be tucked in, and prefects, please make sure your ties are the correct length and are worn properly.

Lastly - Happiest Sweet 16th to - Mehek, Maria I, Hamza Abass, Praval, Tia, Numaan, Riddhi and Rayen V!

Have a great week, Year 11, and keep pushing forward!

Mrs Manandhar

Sixth Form

Year 12

Welcome to our new Year 12 cohort! It has been a pleasure welcoming you over the past week and seeing how well you have settled into Sixth Form life. We know that you have been given a lot of information and that it may feel a little overwhelming at first, but don't worry, everything will soon fall into place.

For now, your priorities are to complete your bridging work, settle into your new lessons, and make the most of the opportunities that Sixth Form will bring. If you have any questions or concerns, please do not hesitate to speak to your tutor or a member of the Sixth Form team. We are here to help.

Year 13

Welcome back, Year 13! It has been wonderful to see you all return and begin your final year with us. This is an important term, so make sure you hit the ground running. UCAS deadlines are fast approaching, as are your mock examinations, so now is the time to stay organised and focused. If you need any support, advice, or guidance, please do not hesitate to reach out to your tutor or a member of the Sixth Form team.

A reminder that the deadline for submitting your first personal statement draft to your tutor is **25th September**. We look forward to supporting you through what promises to be a successful and exciting year.

Mr Clarke

SPORTS NEWS

Sports Day: Final Results

Well done to everyone that took part in last term's Sports Days. You impressed with your skills, determination, teamwork and sportsmanship.

As well as competing for yourself and your tutor group, for the first time ever, you were competing for your house.

We have now added up all the scores from across the year groups and can reveal the house that won sports day...

1st ST JAMES'S PARK 320 POINTS

2nd REGENT'S PARK 280 POINTS
(due to 2 winning year groups)

3rd HYDE PARK 280 POINTS

4th GREEN PARK 260 POINTS

WELCOME TO ALL OUR NEW YEAR 7S

What a great first day!

Our new Year 7s started their Park High journey in impressive style. Perfect uniform and eager to take on the first day.

After an inspiring assembly by Mr Darby, our new Headteacher and Mr Fowler, Head of Year, about what it means to be successful at Park High and in life, they were off to their tutor rooms. Their tutors then walked them through what school life looks like from our high expectations to a tour of the school site. Each student was excited to see their timetable, too - so many new lessons and new teachers.

Then it was on to some fun icebreakers about who they are and drawing and colouring in bunting that will be used for displays in their tutor rooms. At lunch, the food was also a hit, with students enjoying the wide range of food and large canteen.

Finally, the last period of the day saw them find out which Houses they are in and their House badges, following by a energetic House competition with team building games. Well done St Jame's Park.

Let's continue this excellent start!

PARK HIGH OPEN EVENING

Thursday 17th September 2026 | 6.00pm – 8.00pm
(last admission 7.30pm)

OPEN MORNINGS

9.00am – 10.15am on:

Tuesday 22nd -Thursday 24th September 2026

Wednesday 30th September 2026
