

6 October 2026

Dear Parents and Carers,

Review Day 1 – Thursday 15 October 2026

At Park High School, we believe in investing in each other to be the very best we can be. As we approach the end of the first half term, we are delighted with the positive and purposeful start students have made to the academic year. Across the school, students have embraced our high expectations, settled quickly into routines and demonstrated a strong commitment to their learning and personal development.

Review Day provides an important opportunity for students, families and staff to come together to reflect on this strong start, celebrate achievements and discuss the next steps in each student's journey.

This year, our school-wide focus continues to be on supporting students to think hard. We know that learning happens when students are challenged to engage deeply with ideas, make meaningful connections and reflect carefully on their understanding. Review Day will provide an opportunity to discuss not only what students are learning, but how they are developing the habits and mindset needed to be successful learners.

The review meeting will also provide an opportunity to reflect on how students are demonstrating the Park High character virtues of teamwork, resilience, integrity, compassion and curiosity. These qualities underpin our culture and help students to succeed academically, contribute positively to our community and prepare for life beyond school.

On Thursday 15 October 2026, normal lessons will be suspended. Students should attend school only for their scheduled appointment with their tutor. Appointments will run from 8:30am to 2:45pm, although some tutors may offer times outside of this window. In some cases, students may be invited to attend their review meeting on an alternative day if necessary.

When not attending their appointment, students are expected to continue their learning at home. Work and enrichment activities will be available through Microsoft Teams, and students will also be asked to complete the October Student Voice survey.

Central to each student's experience at Park High is their form tutor. Form tutors play a vital role in ensuring that every student is known, supported and challenged to achieve their best. Through daily contact, they help students develop positive learning habits, monitor their wellbeing and progress,

Headteacher Mr Neil Darby

and provide guidance as needed. Review Day is a valuable opportunity for students and families to engage in a meaningful conversation with the person who knows them best in school, celebrating successes and identifying the next steps for continued growth.

We strongly encourage all parents and carers to attend their child's review meeting. Tutors will have prepared carefully, gathering information about academic achievement, attendance, behaviour, engagement and personal development. These conversations are most effective when students, families and school staff work together to support success and ensure that every student continues to thrive.

Students must attend in full school uniform (or follow the Sixth Form dress code) and register with their tutor upon arrival. Appointments can be booked through [School Cloud](#).

Meeting locations by year group

- Years 7-8: School Hall
- Years 9-10: Sports Hall
- Year 11: Sixth Form Common Room
- Years 12-13: Learning Resource Centre.

If you have any questions or concerns, please do not hesitate to contact your child's tutor or Head of Year.

Thank you for your continued support.

Kind regards

Mrs K Wilkinson
Deputy Headteacher
