Message from the Assistant Headteacher

As the weather starts to feel distinctly more autumnal, this week provides us with a valuable moment to pause, reflect, and look ahead.

This is Remembrance Week, a time for our school community to reflect on the sacrifices of the past and think about the values of compassion, integrity and resilience. Reflection is not just about looking back at history, but also about considering how we act today and the positive mark we want to leave on our community.

This is a very busy time for lots of the school community. To our Year 13 students who are just wrapping up their mock exams, and Year 11s who are about to start theirs, well done for your hard work, focus, and resilience in preparing for this. This is an important time for you, but remember to take a breath and give yourselves credit for the effort you put in. Do your best, trust in your preparation and remember that staff are always here to support you.

Looking to the future was also front and centre at our Sixth Form Open Evening last Thursday. It was fantastic to see so many of our Year 11 students demonstrating curiosity in exploring their options, visiting subjects, and speaking with staff and current Year 12 and 13s about the fantastic sixth form offer available at Park.

Whether you are preparing for exams, settling back into your routines, or starting to think about your future, remember to look out for one another and look after your own wellbeing and let's make this week a thoughtful, positive, and productive one.

Mr Meunier

WORD OF THE WEEK

Scrutinize | verb

To examine closely.

GREEN PARK	HYDE PARK	REGENT'S PARK	ST JAMES'S PARK

ACHIEVEMENTS

Remembrance Day Poetry Competition

Well done to Saisha 9AW and Jamaiya 10WK, who submitted poems to the Harrow Mayor's Remembrance Day Poetry Competition.

Saisha's poem, *'Price of Peace'* won the competition, and Jamaiya's *'Poppies'* was rated Highly Commended.

They were both invited to the Mayor's memorial service on Remembrance Sunday to read their poems. You can read their poems further on in this Student Bulletin.

Wembly Fire Cadets

Congratulations to Jamaiya Garnes 10WK, who took part in the Wembly Fire Cadets passing out ceremony. This end of year event celebrates the commitment, dedication and achievements of the Fire Cadets, who are formally recognised and celebrated in front of their families and senior Brigade officers.

Part of this ceremony involves the Cadets conducting an operational firefighting drill, and demonstrating some subject specific skills that they have developed during their first year with the service.

Please congratulate them if you see them around school. This is a fantastic achievement!

Year 7

Compassion is the virtue we will be focusing this half term. What is compassion? ***It is the ability to show care and concern for others.*** So what does that look like? It looks like words that encouragement and build up, not criticise or tear down. You are to be students who think before you speak, who use your words to say things that make others feel good not bad. Your words are powerful and can have a big effect on others, so use them wisely, with thought. Compassion also means doing things to support and help others. This could be offering help with work, inviting someone into your group or conversation, or holding the door open for a teacher. And why is compassion important? Because it makes you a better person and makes you feel good about yourself. This year group is going to be one characterised by kind words and actions. And it starts with YOU!

I have already visited many lessons last week, and seen that you have made a very positive and purposeful start. I have noticed lots of proactive engagement in your writing and mini white board responses. I have also seen lots of curiosity in your answers. I will be continuing to visit lessons and speaking to your teachers about what you are learning in lessons. So be brilliant. You have your first Parents' Evening on Wednesday 25th where you and your parents/carers will have a meeting with your subject teachers to discuss the progress you are making in your learning.

Your Attitude to Learning grades were excellent! Well done for all of your effort. Let's celebrate the top performers for behaviour and engagement in the year group (below).

Finally, we are very proud of our Year 7 football team who won their game against Whitemore a whopping 11-4! You played with skill and flare. Well done!

Mr Fowler

MESSAGES FROM HEADS OF YEAR

Year 8

I hope you all have settled back into school well.

Before the break, you took part in your Review Day and spent time reflecting on your achievements and identifying areas where you wanted to improve. We are now in Week 2 of the new half term, which means you have had the chance to start putting those targets into action.

Remember, success doesn't come from one big moment. It comes from the small choices you make every day. Every time you arrive prepared, participate in lessons, complete your homework, show respect to others or make a positive choice, you are moving closer to achieving your goals.

As we approach Anti-Bullying Week, our focus as a year group should be on kindness, compassion and looking out for one another. We all have the power to make Park High a place where everyone feels welcome, valued and respected. Something as simple as including someone in a conversation, offering help or choosing kind words can make a real difference to someone's day.

I would also like everyone to focus on earning Character Points this week. Character Points are recognition of the values we want to see every day at Park High. They celebrate students who consistently demonstrate kindness, resilience, teamwork, responsibility and compassion.
Challenge yourself to ask:

- How many Character Points can I earn this week?
- Am I demonstrating the values that deserve recognition?
- Am I making positive choices both inside and outside the classroom?
- Am I helping to create a kind and respectful Year 8 community?

Every Character Point is evidence that you are developing not just as a student, but as a person. Small positive actions soon add up and make a huge difference.

"Character is doing the right thing, even when no one is watching."

Have a fantastic week, Year 8. We are proud of the progress you are making and look forward to celebrating your successes.

Mrs Capp

Year 9

This week we are continuing to focus on everyone in Year 9 having all their equipment every day. That means coming to school with the correct exercise books, mini whiteboard, reading book and a full pencil case. A full pencil case means having more than just a solitary pen. The reason we are looking at this now is, so you have established clear routines as we look ahead to making our GCSE choices next term and beyond. Having all our equipment too is important in staying organised and on top of your schoolwork. It is also about taking responsibility and not relying on your teachers or friends to provide you with what you need to learn.

This week we are marking remembrance day on Wednesday 11th November. We will come together as a school community to remember all those who died in WW1 and all subsequent conflicts. It takes place at 11 am which is the exact time WW1 ended in 1918. This is a moment of silent reflection as we remember those who died in the line of duty. It is vitally important that our behaviour and uniform is exemplary during this moment. I know you will all behave excellently and will show off your best version of yourselves.

Have a great week Year 9.

Mr Hargreaves

MESSAGES FROM HEADS OF YEAR

Year 10

It was fantastic to see such a positive start to interventions last week. Thank you to everyone who attended and gave their best effort. These sessions are helping you work towards Progress Check 2, which will include your first GCSE grade. Continue to take every opportunity to improve, stay focused, and develop the skills needed to achieve your full potential.

Please remember that all intervention timetables and room allocations are displayed outside my office. Make sure you check them regularly and attend all of your scheduled sessions.

This week is also an exciting one, as you will be taking part in your mock interviews. This is an excellent opportunity to showcase your strengths and practise important professional skills. Be confident, polite and prepared. Take time to read through your CV beforehand so that you are ready to discuss your experiences and achievements.

Most importantly, believe in yourself and aim to be the best version of yourself. Good preparation leads to success. I wish you all the very best of luck and look forward to hearing how you get on.

Miss Acheampong

Year 11

I know that many of you have received a considerable amount of information this week, particularly regarding your forthcoming mock examinations. Although I may have reminded you countless times already, I cannot stress enough how important these mocks are. You must approach them with the utmost seriousness, as they will play a significant role in informing our next steps and preparing you for your final GCSE examinations. This is not the time to become complacent or assume that there is plenty of time left. It is imperative that you begin taking your revision and preparation seriously now. My aim is to ensure that as many doors as possible remain open for you, rather than opportunities becoming limited because of a lack of preparation at this early stage of Year 11. Every effort you make now will count towards your future success.

A gentle reminder that your form captains will be asking you to share group photographs from your time together as a form. These photographs will be considered for inclusion in this year's yearbook. The deadline for submitting photographs is December, before we break up for the Christmas holidays. We are working hard behind the scenes to ensure that this is a yearbook you will remember for years to come. Please take the initiative and share your photographs with your form captains rather than waiting to be chased. I am sure there are particular memories and photographs you would love to see included, and I would really like to accommodate as many of these as possible.

Mock Examination Expectations

Finally, returning to the subject of examinations, I want to remind you that the expectations for all exams taking place in the Sports Hall will remain exactly the same, if not more stringent, during the forthcoming mock examinations. Please ensure that you are familiar with the examination rules and expectations. This means knowing your candidate numbers, knowing your seat numbers for every exam! If you are unsure about anything, please check with a member of staff or ask for clarification.

Otherwise, continue to work hard, remain focused and, most importantly, demonstrate your true worth and capabilities. You have so much potential, Year 11. Now is the time to show it. Make every lesson count, prepare thoroughly and give yourselves the best possible opportunity to succeed.

Happiest sweet 16 birthday this week to: Yousif A, Bryan, Bhoomi, Rafael, Sanaa and Rebeca!

Mrs Manandhar

MESSAGES FROM HEADS OF YEAR

Sixth Form

Year 12

A huge thank you to all Year 12 students who supported our Sixth Form Information Evening last week. You were exceptional ambassadors for the school and represented Park High brilliantly.

In Mr Darby's words:

"A particular thank you must go to our Year 12 Student Ambassadors. They were outstanding role models and advocates for the school, speaking confidently about their experiences, supporting visitors and helping to create a warm and welcoming atmosphere. Their contribution made a significant difference and reflects the high standards we seek to develop in all our students."

We hope many of you will continue to get involved by supporting our upcoming Children in Need fundraising activities and helping to make a positive difference across the school community.

Year 13

Well done to all Year 13 students on your hard work and commitment during the mock examination period. Your attitude and resilience have been excellent. Keep going, with just one week of exams remaining, and continue to give your very best. Good luck for the final stretch!

Mr Clarke

SPORTS NEWS

Students were enthusiastic to be involved in sport again at Park High last half term as training and competitions got underway.

There was early season success with borough titles in Netball and a medal in trampolining.

For many competitions, we were involved in group stages or preliminary rounds. In girls football, the U16 season is first up and our girls are looking ahead to a semifinal against Sacred Heart, after some good performances in the group stage.

In the boys football, all age groups have once again qualified for the borough quarterfinals and our U16 team are representing Park High in the Middlesex knockouts.

This half term sees Borough volleyball knockouts, badminton and table tennis opening rounds and plenty of basketball. Congratulations to our Year 7 team (pictured) who have set up a quarterfinal against Canons after breezing through their group stage.

Please come and join us at a club if you are interested in getting involved!

Year 11 Battlefields Trip

Between October 12-14th, 84 Year 11 History students visited Belgium and France to visit World War One Battlefields. This was to help them with their study of World War One Medicine as part of their GCSE course. Several highlights were visiting Sanctuary Wood, where students were able to go into preserved trenches to examine the trench system during World War One and consider the implications of these on soldiers' health. Students also visited Wellington Tunnels, Vimy Ridge, Tyne Cot and Langemark cemeteries, In Flanders Field Museum and Passchendaele Museum. A particular highlight was attending the Last Post Ceremony at the Menin Gate in Ypres, where Ms Salkeld, Bianca and Fana took part in the official ceremony and laid a wreath on behalf of Park High School. Being in Belgium, students also visited chocolate shops! Overall, the trip was an excellent experience for the students, and staff, and allowed students to gain a wider understanding of the realities of the First World War.

Attending the history trip to Belgium was an amazing experience and I enjoyed every part of it. I really enjoyed spending time with all my friends and the trip allowed me to expand on my knowledge on WW1 and the medical side of warfare. It provided me with an insight on the harsh and unsanitary conditions the soldiers faced and the difficulties of life in the trenches. Being able to visit all of the historical sites was really helpful in reinforcing my knowledge and allowed me to further appreciate the sacrifices made by the soldiers during the war. A really memorable moment for me was when I was selected to take part in the remembrance ceremony, which we participated in on the second night. It was a truly wonderful and meaningful experience, as alongside Miss Salkeld and Fana, I had the responsibility of carrying the wreath up to the front and representing Park High. I am very grateful for this opportunity I was offered.

Bianca, 11WN

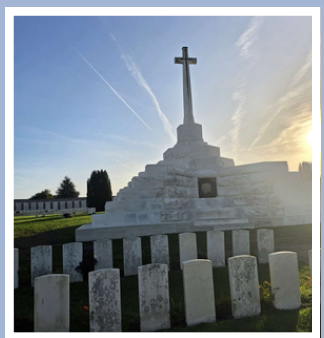

Our trip to Ypres was a really enjoyable and memorable experience. We learned about the Western Front and the events of the First World War, which was extremely interesting and helped bring our classroom learning to life. My favourite part, apart from the free time, was walking through the trenches and seeing what conditions were actually like for the soldiers who fought there. The museums were also fascinating because they helped me understand daily life in the trenches through artefacts, photographs, and personal stories from the war. Visiting the different cemeteries was another highlight, as each one was unique and gave us an insight into the sacrifices made by so many people. It was interesting to see the variety of headstones and learn about soldiers from different countries and backgrounds who fought in the war. I found it particularly moving to see the graves marked "Known Unto God", which reminded me of the many soldiers whose identities were never discovered. Overall, the trip strengthened my knowledge of history, gave me a deeper understanding of the realities of war, and was an experience that I will remember for a long time.

Darsh, 11GS

The History Battlefields Trip was of the most memorable trips at Park High. It gave us opportunities to become more independent, socialise with others and gain more information. We visited historic battlefields, cemeteries, trenches and underground hospitals, learning about evacuation routes and experiencing the cold conditions felt by the soldiers underground. This was useful for our Western Front Medicine topic. We also enjoyed exploring the beautiful Belgian town during our free time, trying delicious Belgian chocolate and sharing rooms with friends. One of the biggest highlights was seeing the "Last Post" ceremony in Belgium, which was an incredible and unforgettable experience. Overall, the trip was not only educational but also extremely enjoyable, the memories created on this trip will definitely last a lifetime.

Kashvi, 11AM

Year 10 Trip to the Tower Of London
By Chloe R, 10TP

A selected group of Year 10 students who study History for their GCSEs recently had the exciting opportunity to visit the Tower of London. It was a special experience for those lucky enough to attend. During the visit, we explored one of Britain's most famous historical landmarks and had the chance to see the magnificent Crown Jewels up close, learning about their history and importance to the monarchy.

My personal favorite part of the visit was exploring the prison cells and seeing the graffiti left behind by prisoners during Elizabeth I's reign. It was fascinating to see these historical marks first-hand, as they offered a glimpse into the lives and experiences of people who had been imprisoned there. Seeing these details made history feel much more real and gave me a greater appreciation of the stories hidden within the Tower of London.

A particular highlight of the trip was learning more about Queen Elizabeth I. With the help of a knowledgeable tour guide, students were given additional information and fascinating insights into Elizabeth's life, reign and significance in British history. This brought our classroom learning to life and allowed us to develop a deeper understanding of the topics they are studying for their GCSEs. Overall, it was a thoroughly enjoyable and valuable experience, giving students the opportunity to enrich their historical knowledge while exploring an important part of Britain's past.

Thank you, Mr. Kenward and all the teachers involved for this amazing opportunity!

Y11 MFL Mock Speaking Exams

A reminder to Year 11 students who study French/German/Spanish - your MFL GCSE Mock Speaking Exams will take place between 9th and 13th November in P4.

The exact date and time of your examination are displayed outside the MFL Office and have also been communicated to you during lessons.

This examination contributes 25% of your overall MFL GCSE Mock grade. Attendance is compulsory. If you do not attend, you need to bring a doctor's note as evidence.

You will come out of your lesson for approx. 30mins - you will need to catch up with any work you miss.

If you have any questions, please speak to me or to your teacher. Good luck!

Mrs Wilson

Price of Peace - Saisha 9AW

Poppy fields marred by the scars of war,
Lives lost on distant shores.
Fearless and true, they fought for our freedom and peace,
Hoping that forever more, these wars would cease.
Lest we forget the price they paid,
Their courageous spirits shall never fade.
With a crimson poppy pinned to our shirt and embedded in our heart,
We honour the past and look to a future where love and peace can start.

Poppies - Jamaiya 10WK

Poppies, what do you think of when you hear the word poppies
well I think of soldiers
I think of the soldiers who fought for peace, for us
I think of the fact that they fought for future generations could live the life they never got to

I think of their names, names written in history
Names that time cannot erase
Names of people who gave us their all
Names of heroes who gave up their tomorrow for our today

Poppies aren't just flowers; they carry a meaning we remember every remembrance day
The poppy reminds us of their lives of the sacrifices they made
And the peace they fought for,
A small flower carrying a story, a story we must never forget

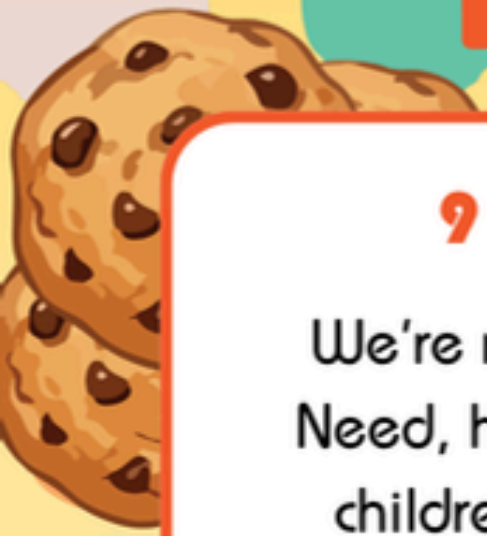

Some may ask why poppies
Well poppies grew on the ground where soldiers once stood
Where they took their last breath
Where they chose everyone else's future over theirs

Today we wear poppies with pride
Not to celebrate war, but the ones who faced it
Because behind every poppy there's a story
A story of courage sacrifice and hope

So when you see a poppy
Remember what it stands for
Remember those who gave their everything
And keep their names alive
Lest we forget.

BBC CHILDREN IN NEED

9 - 13 November 2026

We're raising money for BBC Children In Need, helping fund projects that support children facing poverty, mental health struggles and other challenges.

There are going to be fun activities across the school, including:

Cookie Sale

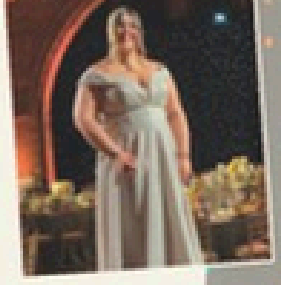

Guess how many sweets in the jar

Selling Pudsey merchandise

BBC CHILDREN IN NEED

HELLO, MY NAME IS ROISIN

I am incredibly proud to share my story as one of BBC Children in Need's Young Ambassadors. I'm from Derry, Northern Ireland. I'm 21 and have a passion for performing. My dream is to become a professional actor and inspire others through my work.

HERE IS MY STORY

When I was 14, my life changed in an instant. I suffered an acute ischaemic stroke. Suddenly, I was faced with months in hospital, rehabilitation and having to relearn things many people take for granted; including to walk, talk and eat. I now have permanent weakness on the right side of my body, and every day, I continue to live with the effects.

I was also diagnosed with Crohn's Disease, which brought its own challenges. I often felt frustrated, isolated and unsure about the future. It was difficult watching my friends move forward while I was learning to adapt to a completely different life.

I found school difficult and often felt different from my peers. Some friendships faded and there were days when I questioned whether I would ever feel confident again. But with the support of my family, healthcare professionals and teachers, I slowly began to rebuild and discover who I was.

A BBC Children in Need-funded project provided me with the help and resources I needed to keep going. I met with other teenagers with brain injuries, and we attended many social events together. Meeting other people who understood what I was going through made me feel less alone.

I refused to let my disability define me. I returned to education, completed my GCSEs and discovered a love for acting and singing. I found a way to express myself, build confidence and make connections. I've achieved so much more than I ever believed.

One of the most difficult moments of my life came when I lost my daddy in 2025. I'm still navigating grief every day. My daddy was one of my biggest supporters, and, although losing him changed me forever, his kindness, strength and belief in me continue to inspire me.

Today, I am preparing to begin my BA (Hons) Acting degree at a prestigious drama school. Looking back, there were many moments when I wasn't sure I would get here - yet every challenge taught me resilience, determination and the importance of never giving up on yourself.

The incredible support of fundraisers like you makes a huge difference. It helps BBC Children in Need to fund projects that provide life-changing opportunities, resources and hope to children and young people like me. It gave me the opportunity to become one of the BBC Children in Need Surprise Squad in 2021. I'm now a BBC Children in Need Young Ambassador, and this has changed my life in so many amazing ways.

If there is one thing I have learned, it is that life can change in a second. We all face struggles that others may never see. I hope that, by sharing my story, I can help others realise that sometimes the hardest journeys can lead you somewhere you never imagined possible. Being a BBC Children in Need Young Ambassador has truly changed my life for the better.

THANK YOU FROM THE BOTTOM OF MY HEART,

Roisin
