Admission to Harrow Sixth Form Collegiate - Community Schools

All students may continue to study in the sixth form of their current school, providing they meet the academic entry requirements of their selected courses.

A collegiate system operates at sixth form level within Harrow and some courses are offered through this arrangement. As a result, some students from other schools and/or colleges join courses at a particular sixth form and some students from our school may join sixth form courses in other schools and/or colleges. Applications from Park High students to all sixth form providers will be administered by the Park High School Sixth Form Office. External applicants should submit their application to their first choice school by 12.00 noon on Wednesday 1st February 2017.

Admission to Park High Sixth Form

Prospective students should fill out the Harrow Collegiate Application Form indicating Park High School Sixth Form as their first, second or third choice out of three possible choices. Please note that applicants who name our sixth form as their first choice will be considered ahead of those who name us as their second and third choices respectively.

CHARGING POLICY

Please note that as with all sixth forms, students are expected to buy books and pay for field trips. At enrolment students will need to bring cash or cheque made payable to 'Park High School with them for the sum of £55. This includes £25 for the Common Room Amenity Fund and a refundable library deposit of £30.

FURTHER INFORMATION

Please contact Mr Shaun Barrett, Head of Sixth Form, if you require further details.
